உங்கள் பாடசாலையின் மீது நீங்கள் தொடர்ச்சியாகக் கொண்டுள்ள அன்புக்கும் அக்கறைக்கும் எமது மனமார்ந்த நன்றிகளையும் வணக்கங்களையும் தெரிவித்துக் கொள்வதில் மகிழ்வடைகின்றேன். இந்துக்கல்லூரியுடனான உங்கள் தொடர்ச்சியான ஊடாட்டமும் உதவிகளும் எமக்குப் பெரும் பலமாக அமைவதோடு பாடசாலை தனது இலக்குகளை நோக்கிப் பயணிக்கும் பயணத்தின் மீது நம்பிக்கை தருவதாக உள்ளது. சுற்றல் சுற்பித்தல் செய்யப்பாடுகள் தொடர்ச்சியாக நவீனமயப்படுத்தப்பட்டுவரும் காலத்தில் உலகின் புதிய போக்குகளோடு எம்மை இசைவாக்கும் சவால்களை நாம் எதிர்கொண்டுள்ளோம். இதை வெற்றி கொள்ள இந்துக் கல்லூரி பழைய மாணவர்களின் பங்களிப்பு அவசியமானதும் அவசரமானதுமாகும் என்பது நீங்கள் அறிந்ததே.

தற்போதைய கொரூனாப் பெருந்தொற்று எமக்குப் புதிய சவால்களைத் தந்துள்ளது. அதைக் கையாள்வதற்கான முயற்சிகளை நாம் மேற்கொண்டுள்ளோம். அதன் ஒரு பகுதியாக பழைய மாணவர் சங்கத்தின் பிரீத்தானியக் கிளை இந்த நெருக்கடியான காலத்தில் எமது மாணவர்களுக்கு செய்த உதவியை நான் நன்றியுடன் நினைவுகூர விரும்புகிறேன்.

குறிப்பாக அடுத்த ஐந்தாண்டு காலப்பகுதியில் எமது பாடசாலை அடையவேண்டும் என எதிர்பார்த்துத் திட்டமிட்டு நடைமுறைப்படுத்திக் கொண்டிருக்கும் பாடசாலையின் இலக்குகளான

- எமது பாடசாலையில் இருந்து பரீட்சைக்குத் தோற்றும் அனைத்து மாணவர்களையும் சித்தியடைய அடைய வைத்தல்.
- தகவல் தொழில்நுட்ப சாதனங்களின் துணைகொண்டு சர்வதேச தரத்திலான மகிழ்ச்சிகரமான வகுப்பறைகளில் மாணவர்கள் கற்பதற்கான வாய்ப்புக்களை வழங்குதல்
- இருபத்தொராம் நூற்றாண்டின் திறன்களைக் கொண்ட மாணவ சமூகத்தை வெளியீடாக வழங்குதல்
- இந்து - தமிழ் கலாசார பாரம்பரியத்தின் ஊடாக சமூக விழுமியங்களும் நல்லொழுக்கமும் கொண்ட மாணவ சமூகத்தைக் கட்டிவெழுப்புதல்
- தரவுகளை ஆதாரமாகக் கொண்ட, தரவுகளின் அடிப்படையில் தீர்மானங்களை மேற்கொள்கின்ற வெளிப்படத்தன்மையான - போதனா தலைமைத்தின் கீழ் மகிழ்வான பணிக் குழுவில் பாடசாலையினை முகாமம் செய்தல்

ஆசியவற்றை அடைவதில் தங்களின் பங்களிப்பு மகிழ்வுடன் நினைவுகூரத்தக்கது. அவற்றில்

## Vice President's Message

Greetings my fellow Hinduites,

With great pleasure I welcome you all to the Elegant 2021. Hinduites have time and time again proved that we can achieve grater goals, even in the shadows on this pandemic.

We could not gather and celebrate for last two years, but our past pupil association has delivered much needed projects in Education and Empowerment of our brothers in Hindu College Colombo.

These projects are only made possible by your dedication, determination and your generosity. Once again we have gathered in numbers to think, network and celebrate among fellow Hinduites in the United Kingdom, once again we would see many more much needed projects to help our school will get initiated.

Thank you

Kanapathipillai Sanjeev

## COLOMBO HINDU COLLEGE PAST PUPILS ASSOCIATION (UK)

Dear friends,

This year we as CHC-PPA UK had a great pleasure in initiating the educational projects "Student Empowerment 2021" and "Special coaching for Tamil and Maths" to Hindu College, Colombo students. I take pride in stating that it is the first project of this magnitude and scope. We are very grateful to those 'time-millionaires' who have spent their valuable time and those who have come forward with the much needed financial support by sponsoring these projects from the UK and around the world. We would not have been able to deliver the 1st phase of this project successfully without the support of these individuals.

Mother Hindu, being a leading Tamil school in Colombo has taught us leadership, sportsmanship, comradeship, religious tolerance and how to embrace cultural diversity. It is proud to see our Alumni members from various parts of the world, especially UK, Canadian and Australian members are leading by example in their respective diverse local communities.

It is a pleasure and proud to observe all the PPA's and individual batches around the world are bonding together and celebrating the childhood friendship and supporting our mother Hindu to improve the facilities & educational aspects. It is our aim to create a stronger and more powerful 'CHC-Global-Alumni' by connecting our diaspora network to make a meaningful impact at ground level to support our mother Hindu achieve greater heights.

We at CHC-PPA-UK wish all our members in the UK success and happiness in their respective endeavours.

Stronger Together!!!

## COLOMBO HINDU OLD BOYS ASSOCIATION AUSTRALIA NSW INC.

Reg no: INC1900145

Message from CHOBAA NSW

On behalf of CHOBAA NSW, it gives me an utmost pleasure to convey my warmest greetings to everyone attending the Annual Gala Dinner 2021 hosted by Colombo Hindu College Past Pupil Association UK (CHCPPA-UK).

I would also take this opportunity to acknowledge the efforts and congratulate CHCPPA UK committee and its members for their hard work and the courage to organise and gather here tonight after the COVID19 pandemic.

The past pupil identity and the relationship that we built during our school days unites all of us living around the world regardless of who we are and where we are. The formation of OBA in each country is with the objective to retain our connections, support the past pupil in respective countries, build new network where we live and across many other countries to support each other as well as to help our younger brothers at the school. The OBAs are spread across several continents including Asia, Australia, Europe and the North America and are taking an increasing interest in each other's activities and a willingness to cooperatively work for the common good of the Alma Mater. This is a great example of the unity and the bond we have with our school. We must express our gratitude to the members of all our OBAs around the world for voluntarily and tirelessly working for the benefits of Alumni Associations and for the school. Being established in the late 80s, CHCPPA UK has many successful achievements to list and a foremost example to us.

This year marks the 70th Anniversary of Hindu College Colombo. The deep-rooted education and values we were taught at our school has enabled all of us to be successful in our profession and life around the world. Being a Tamil Medium National School in the western province located in the nation's capital, Colombo, the school has a strong reason to be a delighted mother for how she raised up so many of her children educating them over the years and will continue to raise the younger generation same way for the years to come. Our Younger brothers have been flaunting the high standard from their GCE O/L and A/L exam results and the trophies they take with them from any sports or any competitions they participate. Here, we also must recognise and thank the great effort and the right vision from the principal and the teachers behind these accomplishments.

Hindu College Colombo is an integral part of our life and be proud to be a Hinduite. Keep our connections and relationship like this always to promote and live stronger with our values we learnt and set an example to our school and to our younger brothers.

Enjoy the Gala Dinner and have a great night.

With Warm Regards,

Engunan Logesvaran

## Message from Empowerment Project Lead

Dear fellow Hinduities,

The time has come to celebrate the immense success of our Empowerment Project 2021. This was a project initiated and implemented by Colombo Hindu College PPA UK and financially supported by our gracious sponsors - North American and Australian OBAs. This 13-week program, comprised of a 12-member teaching team, a four-member project team as well as two administrators, allowed us to develop, empower and further the education of our peers at Colombo Hindu College.

The project included structured, discussion-based teaching of computer coding, business English, employability skills, identity-based self-awareness, soft skills, and emotional intelligence.

We are truly proud to say that this program has received wider appreciation and satisfaction beyond our expectations from not only the students but their parents too.

We are determined to continue this incredible project for many years to come! However, it's thanks to you that we were able to fulfil this opportunity this year, but we want to be able to offer this experience for many more children in the future. Thus, I hope that we can rely on your continued support to allow this program to flourish further.

Most importantly I would like to commend and thank, on behalf of the Colombo Hindu College PPA UK, all those who supported this project. In particular, the project team, namely Jeyanthan Dasan, Pravin Selvarajah, and Sutharsan Sriyoganathan for their unwavering determination, continuous perseverance, and timeless dedication towards the project.

## COLOMBO HINDU COLLEGE PAST PUPILS' ASSOCIATION (UK)

Dear fellow Hinduites,

### **Mathematics & Tamil Intervention Program Support**

Colombo Hindu College PPA UK's current strategy for helping students with regards to their academic development is to do so in a manner whereby they will benefit directly.

In line with that objective, the CHCPPA-UK Project committee reached out to the school's newly appointed principal at the beginning of 2021. Our intention was to seek the support and approval to implement our Empowerment Program for students who were intending to sit their GCE O/L this year. During this Zoom discussion, the principal as well as the school management team highlighted several major issues that the students currently facing.

Based on the recent internal exam result statistics, it was emphasised that within the current cohort of GEC O/L students, respectively, 30% would be failing Tamil and 37% failing Maths – two of the key subjects. Hence, this would prevent them from moving to Advanced Level studies. As a result of this, the school's new principal and the management team designed an intervention program to support these students. They proposed to run this program for three to four years with the objective of bringing these lower performing students, to the required level.

The principal and management team mentioned this to Colombo Hindu College PPA UK's Empowerment Project Team and kindly requested their support to fund this intervention program in addition to the Empowerment Program.

With CHCPPUK committee's approval, the Empowerment Program was extended to include the cost of these two elements and the fundraising was launched. Last year, the fundraising team received an incredible response from fellow Hinduites around the world which enabled us to reach our target amount within the short space of a year! The team also received a financial pledge to support the upcoming generations of students from our global peers. We will continue to update you regarding the progress of these programs.

CHCPPA-UK will continue to work alongside the principal and management team to further the education of our fellow students. We are extremely grateful for your valuable contributions and continued support.

Empowerment Program Team  
CHCPPA-UK

## Message from a past pupil Message from an Empowerment Programme Participant

Hey there, I'm Anandaraja Piriyaadharshan, writing this with a fervent heart and jubilating over to share this with all the effulgent people who are reading this, I hope this write up gives you enormous ebullience of Joy and lachrymose eyes as I share a breathtaking phase of my life!

I could relish on that from 23rd of April 2021 to July 23rd, when I finished my Ordinary Level Examination, our School, Colombo Hindu Collage, introduced a Project called "Students Empowerment Programme 2021", aiming the students who recently completed their ordinary Level Examination; Picking out the most Crucial enlightenments which are widely essential for future life of youngsters namely IT Coding, Business English, Soft Skill Development and History and Heritage; Carried out through Zoom due to the Pandemic, and still keeping the mist real, by carrying out Assessments, Quizzes and Interactive Home works. Not forgetting to mention the convivial Counsel by Our Own Past pupils and Guest Speakers.

As we picking up the next freight of life, this programme availed in so many means, manifesting the doable career paths and vast knowledge about the future world, which are hugely salient for us. As said erstwhile, this wasn't habitual teaching, we Experienced, we transpired from our comfort zone, we struggled, we were directed and we learned!

Empirically this changed my aspect I had for my future, my incertitude's were indicated and my skills were refurbished. I want to show my gratitude towards all the individuals who succored to make this come alive and I yen that for much generations to come, they will also encounter this and revamp their career.

Josh

*"What makes life valuable is that it doesn't last forever, what makes it precious is that it ends"*

This spoke to me when I delivered this line on the Graduation ceremony we had on July 23rd 2021. I wish that I could quote all the major experiential testimonies they shared! All the 70+ students who attended this 'Student Empowerment Programme 2021', how this one milestone changed their entire life style is just phenomenal! With Advanced Quad-Lessons, equipped with exploited preceptors and flourished speakers from our very own school and out! Presenting "IT Coding, Business English, Soft Skills and History and Heritage" in today's world with contemporary examples and educating us with essential elements of this era.

Conducting the lessons where all of students feel comfortable according to their level of understanding and where they aren't condemned but only having path to grow in the areas they need to. Highlighting how beneficial the selected criteria were for people steeping into this digital world, people who struggle in polishing their English, building their own self inside out and expressing their identity in this world.

Shout out to all the souls who stood in building this literal pulchritudinous propinquity, every locution the uttered made a huge impact in each and every student's life!

With them asserting to carry this throughout the years, I'm speechless on how the Hindu Collage after Ordinary Level students' life is going to take a wild turn! Concluding this with a Humble heart and gratification.
